DNV-GL audit

03 April 2019

In the period from January 21st to January 30th 2019, DNV-GL carried out an audit at EURAILSCOUT. The audit took place at the office in Amersfoort and in Berlin. The standards that have been audited are; ISO-9001/2015, ISO-14001/2015 and the OHSAS 18001/2007.

After taken preventive and corrective measures EURAILSCOUT has been approved by DNV-GL. For all the three standards we have received new certificates these are published on our website.
